

Mrs. Teresina Sieunarine
President of the Autistic Society of Trinidad and Tobago

August 8, 2012

Dear Mrs. Sieunarine:

I hope my letter finds you well. I am writing to reaffirm my family's support to the mission of the Autistic Society of Trinidad and Tobago. Despite the fact that my wife and I have left Trinidad since 2010 (we are now based in Toronto, Canada), we always remain friends and supporters of ASTT, as well as Trinidad and Tobago in general.

Last month I participated in the inaugural Toronto Triathlon Festival, where I completed the Olympic distance (1,5 km Swim, 40 km Bike, 10 km Run). As you might now, I always tie my participation in such events with a philanthropic cause. Similar to my 2010 participation in the Marathon Des Sables in the Sahara desert, I ran, swam and cycled at the 2012 Toronto Triathlon Festival for autism awareness, specifically trying to raise funds for ASTT. For more information and photos from the triathlon, please visit my site at xtreme.ardavanis.com.

I am happy to report that we managed to raise a total of TT\$5,490 [individual contributions as follows: Alex Savin 200 CAN\$; George Ardavanis & Theomary Karamanis 500 \$CAN; Maureen DeGannes 1000 \$TT], which have been deposited directly to the ASTT account. I trust that you would have received the monies.

I realize that the needs of the society are grave, and that our contribution is nowhere near what you need, but it is our hope that it will help you advance your programs.

Please know that we remain at your disposal for future help when you need it and we will try our best to continue to assist ASTT.

Sincerely,

George Ardavanis
